NOTES

- CAD MODEL FILENAME, 872-LM8261 Tip Tilt Guard A
- MATERIAL: STAINLESS STEEL SHEET METAL (16 GAGE)
- BREAK ALL SHARP EDGES

|                                                                                                                                                                                                                              |        |                                                                                                  |  |                               |                                                          |                                   |                      |
